### Product Attributes

**Kills 99.9% viruses and bacteria**

**Can be used on marble and cementitious surfaces also**

**Refreshing citrus fragrance**

**Keeps the floor 10 times cleaner than any ordinary solution**

### Product Description

BreatheEasy Disinfectant Floor Cleaner is a specialised solution that kills 99.9% germs, removes tough stains including dried paint drip and leaves behind refreshing citrus fragrance. It is an ideal product for floor cleaning and is significantly better than phenyl solution. It can be used on variety of surfaces like ceramic, granite, marble, mosaic etc.

### Ingredients

Benzalkonium Chloride (50%) – 4%, Lauryl Alcohol Ethoxylate, Cocamidopropyl Betaine, Tetrasodium EDTA, Denatonium Benzoate, Sodium Bicarbonate, Lemon perfume, Aqua, Colour.

### Pack Size

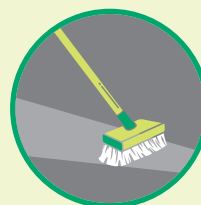

200 ml, 500 ml, 1 L, 5 L

### Direction for Application

#### For regular mopping:

Use 1 cap in half a bucket of water

Mix well and mop the floor

No need to rinse

#### For paint drips and tough stains:

Pour undiluted

Leave for 15 mins

Remove paint drips using a metal object and rinse

Use diluted solution as above for regular mopping

### CAUTION:

- Avoid direct contact with eyes or nose. In case of contact with eye, wash with water immediately
- Do not mix with any other household detergent or acids
- Keep out of reach of children
- Seek medical attention, if ingested
- For external use only
- Store in a well-ventilated place. Keep cool

Version No: BPP1/09/2020. Please note that this data sheet supersedes all previous versions.
